INVITATION

It gives us immense pleasure in extending a warm and cordial invitation to you on behalf of the Indian Association for the Advancement of Veterinary Parasitology (IAAVP) and Nanaji Deshmukh Veterinary Science University (NDVSU) Jabalpur, to participate in the 29th National Conference of Veterinary Parasitology and National Symposium on **“Challenges and Innovations in Controlling Parasitic Diseases of Livestock and Poultry with Changing Climate”** being jointly organized by IAAVP and the Department of Veterinary Parasitology, College of Veterinary Science & Animal Husbandry, Nanaji Deshmukh Veterinary Science University (NDVSU) during February 05-07, 2020.

ABOUT THE THEME

The National Symposium intends to bring together parasitologists, academicians, scientists, professionals and entrepreneurs to a common platform for scientific deliberations and interactions. The symposium will address the challenging issues related to antiparasitic drug resistance, parasitic vaccine development, global warming, emerging and existing parasitic zoonoses etc. In addition, the conference will encompass the novel and innovative research areas of parasitology such as 'omics' technology, Nano technology, gene editing and digital parasitology with emphasis on diagnosis and control of parasitic diseases of livestock, poultry, wildlife, and their public health significance. We, on behalf of the organizing committee of the 29th NCVP and National Symposium extend a cordial invitation to all the academicians, scientists, veterinarians, public health professionals, research scholars, students, livestock entrepreneurs, environmentalists, policy makers, and other stakeholders in the area of parasitology from different parts of the country and abroad to participate in the symposium at Jabalpur, Madhya Pradesh, India.

THE HOST INSTITUTE

The Nanaji Deshmukh Veterinary Science University, Jabalpur was established on 3rd November, 2009. The university has three constituent veterinary colleges located at Jabalpur, Mhow and Rewa. College of Fishery Science, School of Wildlife Forensic and Health, and Animal Biotechnology Centre are also located at Jabalpur. Besides these colleges and centers offering degree courses, the university also has five Polytechnic colleges offering two years Animal Husbandry Diploma. College of Veterinary Science and A.H, Jabalpur was started in the year 1948 and it is now one of the premier institute for Veterinary Science education in central India. Department of Veterinary Parasitology was established

in the year 1965. Prior to that Parasitology department was an integral part of the Department of Pathology, Bacteriology and Parasitology since inception of erstwhile C.P. and Berar College of Veterinary Science and Animal Husbandry, Jabalpur in 1948. It will not be out of place to mention that this department had the privilege of being guided at different periods by some of the eminent parasitologists of the country like Dr. C.T. Peter, Dr. J.P. Dubey, Dr. S.C. Dutt and Dr. H.L. Shah. Besides teaching of parasitology in B.V.Sc. and A.H., the Masters (M.V.Sc) and Doctorate (Ph.D.) degree programme in parasitology were started in 1965 and 1974, respectively and so far produced 29 M.V.Sc. and 19 Ph.D. students majoring in Veterinary Parasitology. The departmental laboratory is well equipped to carry out conventional and advance research in Parasitology.

IAAVP

Indian Association for the Advancement of Veterinary Parasitology (IAAVP) was established on 15th February 1986. The IAAVP focuses on providing a forum for veterinary/medical parasitologists, zoologists and other professionals/scientific community from diverse fields to deliberate on prevailing and emerging issues related to parasitic infections for the benefit of farmers, livestock entrepreneurs, industrialists, policy makers etc. The Journal of Veterinary Parasitology sponsored by IAAVP is a biannual journal which publishes the results of original research covering basic and applied aspects of parasitology.

VENUE AND LOCATION

Named after its founder Rishi “Jabali” and given the title of “Sanskardhani” by Acharya Vinobha Bhave, Jabalpur is situated near river Narmada. The awesome marble rocks, spectacular Dhuandhar and historical Madan Mahal attract tourists to the city.

The host institute, College of Veterinary Science and Animal Husbandry is located half a kilometer away from main railway station and about 12 kilometers from the Airport. Weather in February remains cool and light warm clothes will be required.

Jabalpur is surrounded by famous National Parks; Mogli Pench - 160 km, Kanha - 167 km and Bandhavgarh - 170 km. Pachmari, the summer capital of Madhya Pradesh and alluring Khajuraho are at a distance of 200 and 250 km, respectively from Jabalpur. Trips to these destinations can be arranged for delegates on prior intimation and advance payment.
