SCIENCE UNIVERSITY**

Jabalpur - 482 001, M.P.

ABOUT JABALPUR

Jabalpur, an ancient city of Madhya Pradesh on the shores of the holy river Narmada, situated at 23° 10' North latitude, 79° 59' East longitude and at an altitude of 411 meters above sea level. It is well connected with rest of the country by air, train and road. Jabalpur is also blessed with various tourist places and Bhedaghat, Marble Rocks, Chousath Yogini Temple, Bargi Dam, Dumna Nature Reserve are some of the important tourist places to visit.

ABOUT NDVSU

The Nanaji Deshmukh Veterinary Science University, Jabalpur was established on 3rd November, 2009 with the objective to impart education in Veterinary, Fisheries and allied sciences, to provide the advancement of learning & prosecution of research and to undertake the extension of such sciences to the rural people. The University has three constituent Veterinary colleges located at Jabalpur, Mhow, Rewa, Center for Wild Life Forensic and Health and Animal Biotechnology Center located at Jabalpur. For the year 2016-17 our University is ranked at 7th position among Veterinary Universities and 38th among Agriculture Universities in India by ICAR. Besides the colleges and centers offering degree courses the University also have Veterinary Polytechnic Colleges located at Jabalpur, Mhow, Rewa, Bhopal & Morena offering two years Diploma Course in Animal Husbandry.

ABOUT THE COLLEGE

College of Veterinary Science & Animal Husbandry Jabalpur was established on July 8th, 1948 as Central Provinces and Berar Veterinary college. The College of Veterinary Science & Animal Husbandry, Jabalpur was established as the oldest constituent college of the Nanaji Deshmukh Veterinary Science University Jabalpur. The college today has a full complement of the state-of-the art laboratories in 17 departments. The College offers under graduate and post graduate teaching programmes.

ABOUT THE DEPARTMENT

The Department of Bacteriology / Microbiology was established on 8th July 1948 since the inception of the college combining small section of Parasitology and Pathology. The department was established as an independent department in the year 1961 and initiated M.V.Sc programme from 1961. The Ph.D. programme started in 1970. Initial academic research was confined to survey of microbial infections in bovine, ovine, caprine, swine and poultry. Till date a total of 84 M.V.Sc and 16 Ph.D. degrees have been awarded in the department. The department has worked in and contributed significantly in the field of disease diagnosis and prophylaxis. The laboratories of the department are well equipped to undertake teaching and research on conventional and molecular techniques and to impart hands on training to students. Department has successfully completed various projects viz, AINP on Blue Tongue, Investigation of infectious causes of death in goat, cattle and poultry reared in tribal areas of M.P., Molecular probing of infectious cause of death in neonatal calves, Seroprevalence and Molecular diagnosis of leptospirosis in animals and humans etc.

ABOUT THE COURSE

Antimicrobial resistance poses a major threat to every day life and modern day medicine where lives could be lost as a result of antibiotics not working as they should. All health & social care staff, as well as the public, have a very important role in preserving the power of antibiotics, search for alternative therapeutic measures and preventing the spread of infections. In this context, a short course entitled "Strategies for Containment of Antimicrobial Resistance" is being organized at Department of Veterinary Microbiology NDVSU, Jabalpur (M.P.) to share knowledge on the latest trends in antibiotic resistance and sensitize the Scientists/Teachers of research institutes and State Agricultural Universities (SAUs) about it.

TRAVEL

The participants will be reimbursed to and from travel fare by shortest rail (permissible upto AC II tier)/ road route as per ICAR norms on production of valid travel documents. Jabalpur is well connected to major cities of India by rail and road. The auto rickshaw can be hired from Jabalpur railway station for the university campus round the clock. The selected participants are advised to make return journey reservation well in advance.

ELIGIBILITY QUALIFICATIONS

Master's Degree in Veterinary Sciences / Animal Sciences / and Allied Sciences and working not below the rank of Assistant Professor and equivalent in the concerned subject under Agricultural / Veterinary University / I.C.A.R. allied institutes.

BOARDING & LODGING

Participants will be provided with boarding and lodging (shared/complete) free of cost, in the institutional guest house / hostel. Family members are not encouraged to stay with the participants in the room allotted during the training due to limited accommodation.

NUMBER OF PARTICIPANTS

25 participants only.
