

16 January 2018

Prof (Dr.) P.D. Juyal
Vice Chancellor,
Nanaji Deshmukh Veterinary Science University,
Jabalpur 482 001,
MADHYA PRADESH

Dear Prof (Dr.) P.D. Juyal,

I am writing to you on behalf of on behalf of People for the Ethical Treatment of Animals (PETA) India- the best-known animal rights organisation in India

PETA India focuses primarily on the areas in which the greatest numbers of animals suffer the most: in the food and leather industries, in laboratories and in the entertainment industry. PETA India's investigative work, public education efforts, research, animal rescues, legislative work, special events, celebrity involvement and national media coverage have resulted in countless improvements to the quality of life for animals and have saved countless animals' lives.

We have a job opening for **Veterinary Policy Adviser**, based in either Delhi or Mumbai. The job description is enclosed. May I request you to share this information with the placement cell of your institution, display it in student's notice board and encourage eligible and interested candidates to apply?

I can be reached at Jobs@petaindia.org, if you have any questions. Thank you for your time and consideration.

Sincerely,

Jalaj Karla
Associate Director of Administration and Systems

Veterinary Policy Adviser

Location: Mumbai / Delhi

Position Objectives:

- To use veterinary knowledge to encourage improvements in the animal welfare policies of the government and other bodies and organisations
- To address emergencies and conduct hands-on work with animals when required

Reports to:

Director of Veterinary Affairs

Primary Responsibilities and Duties:

- Use knowledge of veterinary medicine and animal welfare to persuade the government, the general public and veterinary universities and other organisations to treat animals more humanely
- Upon passage of a new animal-friendly policy, work with the government or other relevant parties to achieve enforcement
- Establish and maintain effective and useful contacts, including in the government, in order to further PETA's mission
- Research animal protection laws as well as positions of the government, teaching institutions and other bodies and organisations on animal welfare issues
- Develop and manage plans and agendas and achieve suitable progress with the government, veterinary associations, universities and other bodies and organisations by writing letters, organising meetings, giving talks, attending conferences, participating in committees and engaging in other ways
- Brainstorm new and creative ways to advocate animal protection issues and further PETA's mission
- Identify and work with lawyers to further PETA's work
- Work with various PETA teams, including those dealing with campaigns, the media, celebrities and online marketing
- Communicate with activists, teaching institutions, organisations and the government via letters, phone calls and meetings
- Prepare and deliver presentations to government officials and others in order to make the case for animal welfare changes
- Assist the director of veterinary affairs in supervising and training staff at Animal Rahat
- Respond to emergency cases as required and advise on PETA's emergency response system to ensure smooth, effective functioning
- Represent PETA to the media and the general public
- Attend meetings in order to brainstorm and develop strategies
- Travel when necessary to attend meetings or news conferences
- Perform any other duties assigned by the supervisor

Qualifications:

- Fluent in Hindi
- Knowledge of other local Indian languages a plus
- Veterinary degree
- Minimum of two years of relevant experience
- Thorough knowledge of animal rights issues and PETA campaigns
- Proven ability to work hands-on with animals while ensuring the animals' welfare at all times
- Demonstrated ability to comfortably create and deliver presentations as well as address and overcome objections
- Proven ability to work creatively and generate new strategies and ideas
- Ability to exercise independent judgment
- Excellent written and verbal communication skills
- Ability to organise and manage multiple projects simultaneously
- Ability to work well under pressure and meet deadlines
- Ability to interact and communicate with a variety of people in a professional manner
- Ability to represent the organisation to the public in a professional manner
- Ability to handle confidential information with discretion
- Ability and willingness to travel
- Professional appearance and adherence to a healthy vegan lifestyle
- Support for PETA's philosophy and the ability to professionally advocate PETA's positions on issues

To apply for a position with People for the Ethical Treatment of Animals (PETA) India, please send your cover letter and CV to Jobs@petaindia.org.
